### STRELKA - MMA on the sand.

Mixed martial arts (MMA), as it is known today, has different variants and origins. Maybe that's him **pancratius** from Ancient Greece the farthest antecedent of a controlled competition that combined different fighting disciplines.

It also happens that this young sport (or old, as it is said) has spawned other viral disciplines. For several years, there has been "modern fight club which includes improvised rings and an idea guide, which can fit a famous phrase from the animated film Ratatouille: "Anyone can resist".
